# Pre Award and Compliance System (PACS) Login Instructions

There are several ways to get to the PACS login screen. The easiest is from the link at the bottom of the Sponsored Programs home page – <https://sponsoredprograms.buffalostate.edu/>

The screenshot shows the Buffalo State Sponsored Programs website. At the top, there is a navigation bar with links for ABOUT, APPLYING, ACADEMICS, CAMPUS, APPLY, VISIT, GET INFO, and a search bar. Below this is a main banner for 'Sponsored Programs' with a sub-header 'Sponsored Programs Has Moved'. The banner text states: 'The Pre-Award and Contract Office and Sponsored Program Operations have merged to become the Sponsored Programs Administration Office. Together we have relocated to B206 Buckham Hall. The campus directory is being updated with our new phone numbers. In the interim, you may call 878-8700 for a listing of our extensions. Please drop by to visit our new offices!'. Below the banner are sections for 'Events' (showing a calendar for September 2017), 'H-1B Visa Premium Processing Suspended', and 'Newsletter'. At the bottom of the page, there is a row of icons for various university services: RESEARCH FOUNDATION FOR SUNY, RF ORACLE BUSINESS SYSTEM, RF REPORT CENTER PL (SANGHARAD), SUNY RF PACS, and UNDERGRADUATE RESEARCH. An arrow points from a box labeled 'Link to SUNY RF PACS Login' to the 'SUNY RF PACS' icon.

The screenshot shows the SUNY PACS Login page. At the top is a navigation bar with links for LOGIN, NEWS, POLICIES, PROCEDURES, FORMS, A-Z, FAQ, and SUNY.EDU. Below this is the SUNY (RF) logo and a search bar. The main content area is titled "SUNY Pre-Award and Compliance System Login" and includes a dropdown menu for "Select your Campus" with options for Buffalo State and New Paltz. A red arrow points from a text box to the Buffalo State option. Below the dropdown are logos for University at Albany, Binghamton University, and University at Buffalo. A second red arrow points from a text box to the "Click here to register" link under the "Don't have a SUNY PACS account?" section.

If you do not see this screen, make sure pop-ups are not blocked and/or clear your browsing history. You may have to exit and re-open your browser. Sometimes, it's difficult to know if pop-ups are blocked; for example, in Chrome, you must click on this small box:

to get this message:

Click "Always allow" and "Done." Again, you may have to exit and re-open your browser.

If that does not work, try a different browser. Mozilla Firefox and Google Chrome both work well with PACS.

If you still cannot log in, please contact Laura Leone ([leonelj@buffalostate.edu](mailto:leonelj@buffalostate.edu)) or Gina Game ([gameg@buffalostate.edu](mailto:gameg@buffalostate.edu)) for assistance. Buffalo State's IT Help Desk will not be able to help you with PACS.
